### SU-8 2150 Discontinuation-End of Life Cycle

The letter serves as notification that Kayaku Advanced Materials has taken the decision to discontinue the SU-8 2150 product. Kayaku Advanced Materials will only fulfill orders with the limited on-hand inventory. Once the inventory is exhausted, orders for this product will be respectfully declined. The lower viscosity SU-8 2100 or SU-8 2075 products can be considered as alternatives, and a multi-coat process if necessary.
